### **August 3rd Primary Election Deadline for Personal Financial Disclosure**

A candidate on the August 3rd ballot, who is required to file a Personal Financial Disclosure statement with the Missouri Ethics Commission, must have filed by April 13th to prevent the assessment of a \$10/day late fee. Any candidate who has not filed their Personal Financial Disclosure on or before April 20th may be disqualified and removed from the ballot. *The Missouri Ethics Commission, as required by law, notifies the official, who accepted such candidate's declaration of candidacy, that the candidate is disqualified.* If a candidate is unsure of their filing requirement, they should immediately contact the city or political subdivision with whom they filed their declaration of candidacy.
